

*** NOT WHAT YOU THINK**

*** Prejudice is the worst ingredient**

It starts with a simple question:
can a ready meal be made the right way?

We believe it can.

**We don't promise miracles.
We just make ready meals
the way they're meant to be.**

PREJUDICE IS THE WORST INGREDIENT

We started from a simple idea:
bring credibility back to frozen ready meals.

We do it by actually cooking,
because we know what ingredients really are.

Cooking evolves.
Tastes move.

We made a simple choice:
**stay true to ingredients,
not to boundaries.**

SPINACH & MOZZARELLA CHEESE

Fresh spinach meets soft, creamy mozzarella.
A delicate, balanced, unexpectedly indulgent bite.

CACIO E PEPE

A tribute to Roman tradition: bold and intense, with pecorino cheese and black pepper.

TOMATO & MOZZARELLA CHEESE

A timeless classic: creamy mozzarella wrapped in rich tomato flavor, simple and satisfying.
